

ACUS Member Protection Services

This is an example of the letterhead used by Mr Stuart-King in his legal battles on behalf of clients. We have removed the text of the letter, of which we have several.

The header and the footer do, however, show that Mr Stuart-King was using his ACU&S e-mail address as the contact for this company, whose name bears more than a passing resemblance to that of The Association.

As this was being used for legal battles it had the potential to put The Association in a compromising position.
